

## Faith Friends

Each Confirmand is asked to find a “faith friend” to meet with regularly for this school year. Your faith friend can be anyone at West Nidaros, college-age or older, who you believe has a mature faith in Jesus Christ. Oh, and they need to be the same gender as you, so that you can talk more comfortably with them about personal stuff.

Your faith friend can be a relative, but not a parent. The idea is to have someone you can meet with monthly to talk about issues in your life. You are welcome to meet at church, otherwise if your parents are comfortable with the arrangement, you can meet at the time and place that works for the two of you. Each faith friend will be given some helpful ideas for your conversations together, ranging from faith matters to friendship issues to peer pressure.

Here’s what you do:

- ✝ Decide who you would like to ask to be your Faith Friend
- ✝ Make sure they are available the evening of October 21<sup>st</sup> from 7:30-8:30 pm to be part of your Celebration of Passage at church (Jessi will send them a letter with more information about this event).
- ✝ Ask them to commit to meeting with you once a month through May, 2016.
- ✝ **Please fill out the form at the bottom of this sheet and return it to Jessi on September 27<sup>th</sup> when we make your stole.**
- ✝ If you or your faith friend has any questions, please talk to Jessi. Thank you! 😊
