FAMILY LIFE CENTER- TEAM PRACTICES

Fees One weekly time slot \$ 50.00 per month Two weekly time slots \$100.00 per month

Occasional practices or play time \$5.00 suggested per person per time. Each participant must sign a West Nidaros Lutheran Church Waiver of liability waiver form.

Individuals will only have access to the gym and first floor restrooms. All balls have to be left in the gym. They cannot be taken into the hallways or any other part of the church. Liability waiver forms have to be signed by all team members prior to a team starting their practice. Fees are to be paid prior to a team starting their practice.

Each team coach will request playing time. The coaches from West Nidaros will draw for their time slot and then non-member coaches will draw for their time slot. If additional times are available, second slot playing times will be drawn for by the West Nidaros coaches and then the nonmember coaches. Suggest having a meeting of the coaches requesting playing time to draw from the time slots, pay the fees and turn in the liability forms.

Impromptu groups must schedule their time no later than noon of the day they plan to use the FLC to be respectful of others and the custodian and abide by the time slot assigned, even if no one is scheduled after your scheduled time. Custodians plan their cleaning time around the scheduled events. Any person who loans their key to a group is responsible for any damage or problems during the time the group is using the gym.

Make sure everyone is aware of the "Ten Commandments for using FLC" which are posted on the wall and enforce them. Custodians should not have to pick up balls, bottles, clothing etc. left lying around.
