

Who Jesus Is To Me

Many Confirmation Ministries require students to write a "faith statement," explaining what you have learned in Confirmation and how it applies to your life. Rather than limiting you to writing an essay, we want you to create something that allows you to express your ideas in your own way. Here are some suggestions...

- † Keep a journal for one month, exploring who Jesus is and how Jesus reveals himself to you.
- † Write a song, or choose a contemporary Christian song whose lyrics speak to you about Jesus
- † Create a PowerPoint presentation
- † Make a movie or find a movie clip that says who Jesus is to you
- † Write a poem
- † Create original artwork or find a painting, sculpture, etc., that speaks to you
- † Write a 2-3 page essay describing your relationship with Jesus
- † Come up with other ideas
- † Use a combination of these

The project only has to be as long it takes to say "This is Who Jesus Is to Me." If you are using art or music, include a written description (250 words -- about as many as are in this letter) explaining "This is who Jesus is to me."

All projects are due on Saturday, October 24th.
We'll share them with each other when we meet for the Confirmation rehearsal at 10:00 am on

October 24th and they will be displayed for the congregation on Confirmation Day.

Remember, this is intended to be something helpful to you - not busy work. Have fun with it and **don't stress over it!!** Please contact Jessi in September with any questions.
